

LARGE CAPACITY RECYCLING KIOSK™

MADE IN THE USA

The Kiosk is a high volume collection station that does not require frequent emptying. Highly visible and durable, these bins can be used for year round outdoor collection. Perfect for community fairs, sporting events, and recycling centers, the Event Kiosk™ is revolutionizing the way municipalities, universities, parks, and event coordinators are recycling.

- 2 deposit holes on 3 sides increase collection rates.
- Fade proof graphics increase visibility.
- Sturdy floor keeps recyclables contained.
- Folds flat for easy transport and storage between events.
- Innovative hinging lid and handle provide fast, non-labor intensive emptying.
